Testimonials

"I was in your class in August 2006. Anyway, I wanted to let you know that I passed the exam thanks for all your help and insight"

"I took my test yesterday and I passed. Your class really helped me to succeed"

"Just wanted to let you know that I passed the exam this morning. The class helped a lot. Your guidance helped me form a good "preparation management plan"! Thanks a lot for your help."

PMP/CAPM Certification

Project Management Professional (PMP) Certification is quickly becoming a global standard. Many corporations are already reaping the benefits. The PMP certification provides professional credibility and insight on how to deliver projects on time and under budget while maintaining the quality and project integrity. For more information on the certification process go to www.pmi.org.
